W Żabim Królestwie

Zasady gry

Najważniejsza zasada - to od Ciebie zależy jak chcesz wykorzystać i zmodyfikować tę grę!
Proponowane są dwie wersje.

Wersja podstawowa

Na karcie zadań lub dowolnej kartce przyporządkuj do każdego numeru zadania z obszaru, który aktualnie ćwiczysz lub wpisz wyrazy z głoską, którą aktualnie utrwalasz. Zadania mogą być z dowolnego z zakresu np. dziania matematyczne, zagadki, ćwiczenia ruchowe, polecenia na spostrzeganie typu: "odszukaj w sali..." Grę możesz potraktować również z przymrużeniem oka i wpisać zabawne zadania lub polecenia do wykonania. Osoba która pierwsza dotrze do mety otrzymuje koronę i zostaje królem Żabiego Królestwa!

Wersja rozszerzona

Wykorzystaj skarby. Każdy skarb jest wart 1 punkt. Za wykonanie zadania lub poprawnie powtórzone słowo gracz otrzymuje jeden diament. Jeżeli grasz w logopedyczną wersję gry, na żółtych polach dodatkowo należy wkonać zadanie z wylosowanej karty z gimnastyki buzi i języka, która jest w zestawie. Za wykonane ćwiczenie gracz otrzymuje monety. Na końcu gry gracze sumują punkty, osoba, która ma ich najwięcej wykupuje sobie prawa do bycia następcą na tronie.
